

**Town of Delhi**  
**Resolution #4 of 2011**

*The Delhi Town Board*

*Commemorate and acknowledge the dedication of **Lois W. Ray** toward improving the lives of the citizens of Delhi for her many years of service to the community and for leading the efforts to construct bridges in the Town of Delhi.*

*WHEREAS, **Lois W. Ray**, upon being informed by County officials that both the Bridge Street Bridge and Sherwoods Bridge were being considered redundant bridges;*

*WHEREAS, being redundant bridges, public funds would not be used to replace the existing structures that were no longer safe for vehicular and pedestrian traffic;*

*WHEREAS, loss of the bridges would result in increased response time for emergency vehicles and a great inconvenience for the citizens of the Town of Delhi;*

*WHEREAS, **Lois W. Ray**, motivated and led by her deep religious faith and, with concern for the safety and well being of her fellow citizens, led the effort, with committee, to raise private funding to build both bridges at no expense to the taxpayers.*

*THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Delhi in conjunction with the County of Delaware, hereby dedicate the Bridge at Sherwoods Road to **Lois W. Ray** with our deepest appreciation for her efforts, not only on behalf of our bridges, but for her many years of unwavering dedicated service to the dictates of her God in serving her fellow man.*

*Dated: June 13, 2011*
