Dear Chris Koenig:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

OPRHP has reviewed the Phase IA/IB Archaeological Survey report for the Delhi Community Solar Project/4.65 MW AC/ 21.9 acres project (24PR10853) prepared by Birchwood Archaeological Services, Inc., Consulting Archaeologists (March 2025; 25SR00121). OPRHP concurs with the report recommendation that no additional archaeological investigation is warranted.

Based upon this review, it is OPRHP's opinion that no properties, including archaeological and/or historic resources, listed in or eligible for the New York State and National Registers of Historic Places will be impacted by this project.

If you have any questions, I can be reached at Bradley.Russell@parks.ny.gov.

Sincerely,

Bradley W. Russell, Ph.D.
