

**TOWN OF DELHI
RESOLUTION # 4 OF 2010**

May 10, 2010

**CALLING FOR THE WEST BRANCH RECREATION AND AQUATIC COMMITTEE TO BECOME A
SUB-COMMITTEE OF THE TOWN OF DELHI**

WHEREAS, the Delhi community pool was decommissioned due to structural failure in 2003;
and

WHEREAS, the Community of Delhi needs free, healthy and safe family oriented activities that
require little travel; and

WHEREAS, the development of a new pool is part of a comprehensive strategy to recreate the
regional and community enhancement activities that have in the past made the Village of Delhi
the center of activity for the Town and the surrounding communities; and

WHEREAS children and families have accessed the Delaware River at various locations to enjoy
activities associated with water; and

WHEREAS these river locations are unsupervised and have unknown depth changes and drop
offs as well as swift currents presenting an unsafe environment; and

WHEREAS the future growth in population in our village and town is greatly impacted by the
limited availability of public recreation facilities; and

WHEREAS the pool project would foster continued cooperation between the village, town and
surrounding communities to work together to provide safe and supervised activities for the
area youth; and

WHEREAS, the pool project would improve the quality of life for local residents and surrounding
towns by encouraging second homeowners and visitors to the area to become involved in the
community helping to expand the viability of our local businesses;

NOW THEREFORE, BE IT RESOLVED, that the West Branch Recreation and Aquatic Committee shall become a sub-committee of the Town of Delhi and the Town of Delhi shall become the Lead Agency for proposals, grant applications as well as the tax exempt entity for all monies collected or contributions made towards the completion of the new Community Pool.
